LACKY-HOOD.

On the evening of the 5th of January, at the residence of Mrs. Hood, Col. Wm. M. Lackey, of Dadeville, Ala., and Mrs. Imogene Hood, of Lafayette, were united in the holy bonds of matrimony, Rev. J. P. Shaffer, officiating.
The marriage was a private one, being witnessed by relatives and a few friends. Both parties are well related, Col. Lackey is a lawyer of much ability and was the law partner of the late lamented Col. W. L. Hood, so well and favorably known in East Alabama. Her elevated moral character, christian zeal and gentle demeanour, have won for her a sacred place in the hearts of her neighbors, and their kindest wishes follow her and Col. Lackey to their future home in Dadeville. J. P. S.

Decatur's Scandal.

The Herald is not in the habit of even hinting at scandal, but there are occasions for a newspaper to remain silent, with respect to certain things it is to seem to sanction an evil as well as do injustice to the paper itself. We can name no less than eight prominent business men in the Decatur, married men, men who occupy a high position in social circles, each of whom habitually carries in his pocket the picture of an attractive young woman, not his wife. We shall not name these men unless forced to do so, but unless the evil is in some measure abated, as herein after suggested, we may refer to it again in more explicit terms. While we shall not give the names of these men, at least not at present, we have determined to give the name of the young woman in question—Miss Anna Willis Williams, of Philadelphia—whose picture ornaments the lovely silver dollar. We have been trying to get hold of these pictures and have offered large quantities of advertising space to induce the said business men to surrender possession of at least some of them, but have been only partially successful. In the interest of this growing town and in behalf of the best county paper on the face of the earth, in the name of common decency and fair play, respectfully ask these gentlemen to get a move on themselves and the editor from starvation and town from complete moral and commercial ossification.—More County Herald.

The Living Now.

Every day is a fresh beginning, Every morn is the world made new; You who are weary of sorrow and sinning, Here is a beautiful hope for you; A hope for me and a hope for you. All the past things are past and over, The tasks are done and the tears are shed, Yesterday's errors let yesterday cover, Yesterday's wounds which smarted and bled Are healed with the healing which night has shed.

Yesterday's now is a past forever, Bound up in a sheaf which God holds tight, With glad days and sad days which never Shall visit as more with their bloom and their blight, Their fullness of sunshine or sorrowful night.
