

... I just recently met by e-mail a Shirley Swanson in Arkansas who comes down from Melina Horsley Hamrick, a daughter of **Joseph Horsley, Valentine's son** (and your James' and my John's brother). She sent me a rather blurry picture of another of Joseph's daughters (who would be my g-grandfather's first cousin). She does seem to have my line's Horsley eyes, cheeks and mouth--maybe even same nose--so I'll send it along to you to compare. She's Joseph's daughter **Nancy Horsley Knowles** who settled with her husband on the Panhandle of Florida (your old stompin' grounds!).
